wanted to make "saurance doubly sure" in the trial of 8.8.8. in my own case, and am most happy to report that it has entirely eradicated every symptom of the disease from my system. Had I followed the advice of Tom Swift in years gone by, it would have saved me ten years of intense suf-fering. I have not felt the least return of the disease, and can fully and truly recommend 8.8.8. to all suffering from the scourge and especially to the physicians in Macon: who knew my condition; and when I can positively saure them that it has

which my letter to those who formerly knew for my condition. It is a shame that human kind should suffer from the prejudices of physicians to my thing not laid down in the text-books. Let me astre you of my gratitude, and believe me ever.

Yours truly, K.C.M.

About four or five weeks ago I was afflicted with a very aggravated type of blood Disease. I commerced stellar is, S. e., and after taking the first bot lead to much relieved that I bought five more and made in the stellar of the second of

OFFICE No. 273 WEST EIGHTH STREET,
O. ANDERSON, M. D., SUPERINTENDENT,
OINCINNATH, December 2, 1882.

Mesers, Editors:
I have, during my professional career of lines.

By Mr. Simonton: H. E. No. 12, amending Section 40 of Chapter 100 of the Acts of 1882, in relation to fees of witnesses.

By Mr. Garing: H. B. No. 13, amending Chapter 15 of the Acts of 1881, prescribing the properties of the Acts of 1882, prescribing the Acts of 1882, pres ing the manner of appointing trustees by Boards of Education.

By Mr. Parsons: House bill No. 14, amending Chapter 153 of the Acts of 1882, in reference to writs of certiorari.

By Mr. Brown, of Jackson: House bill No. 15, amending Chapter 62 of the Acts of 1882, so is to exclude earling contraining the stage of the well-known, but terrible 1882, so as to exclude earling countries from Bright's disease, as the kidneys contain Bright's disease, as the kidneys contain large quantities of albumen; and while children and young people are especially liable to its attacks, it is prevalent with all classes, and usually continues until late in life.

One obstinate case that came under my observation, was that of a fireman of this city who applied to me for treatment. The case was diagnosed parenchymatous nephritis. The man was twenty-four years of age; plethoric and light complected. He stated that he had suffered from urinary troubles from childhood, and that he had "doctored" a hundred times, each time improving some; after which, in a short while, he would relapse into his former state of misery. I prescribed the usual thermoentics known to the profession with the same result that my colleagues had obtained. He got better for a while and then worse again; in fact, so bad that he By Mr. Dovener: Directing the Board of Public Works and the Auditor to report as soon as practicable what action has been taken under Section 10 of Chapter 32 of the Acts of 1883, in relation to the reassessment of real estate. Adopted.

There being no other business the House adjourned.
